RARE CALIFORNIA GOLD COINS.

A Round Fifty-Dollar Gold Piece.

655. 1855. \$50. Liberty head to left, surrounded by 13 stars, date below. Reverse, WASS, MOLITOR & CO., SAN FRANCISCO, CALIFORNIA. A wreath in which is **50** DOLLARS; above, 900 THOUS. This coin, like most of these pieces, bears considerable evidence of extensive circulation. The obverse is very fair, date is bold; the head is very good, though the lettering from the band is worn; stars, all but two, are very good, and evenly centered. The reverse is about the same, excepting the word DOLLARS, which is about gone. The piece bears numerous nicks and light scratches, as all of these pieces do. However, it is better than the description would seem to indicate. Extremely rare, and in great demand. Record for this variety over \$400.00. This piece is limited at \$200.
- 656 1854. \$20. Kellogg & Co. Obverse Liberty head with diadem inscribed KELLOGG & Co. 13 stars. Reverse, type of regular coinage; around SAN FRANCISCO CALIFORNIA. TWENTY D. About fine. Rare.
- 657 1855. \$20. Same type as last lot. Slight nicks on obverse. Good. Rare.
